SECRET

b. Copy of a letter signed by Cmdte Rene VALLEJO for the Executive Council of the National Institute of Surgery of the Ministry of Health, dated 6 June addressed to Regino BOTTI, President of JUCEPLAN requesting an approval for the expenditure of $20,000.00 for the purchase of raw color film from Czechoslovakia. This film to be used at the national Universities and in Cuban scientific institutions. Received from [redacted] ASSET about mid-July from an unidentified correspondent.

c. ASSET [redacted] debriefing of Antonio TOLEDO Zamora (A12 829 419) who was in the third year at the Medical School, University of Habana. Report dated 21 August.

d. Translation of a commentary by Virgilio PEAJO Nunez, leader of the Cuban medical class Habana on 18 August 1962. It was submitted in translated form by [redacted] ASSET on 26 August. Though this appears to be an interesting commentary there does not appear to be anything new or startling in the information.

e. Listing of medical and professional personnel in Habana which was received through the CRYPT [redacted] CRYPT diplomatic pouch. Pouch turned over to [redacted] for duplication. [redacted] ASSET provided translations. Envelope had return address Colegio Tereslano Calle 17 No. 1054 Vedado, Habana. Addressed to Eduardo ROCO, PO Box 1495. No WAVE traces ROCO. Source of this information is not known. It is believed that the names under this attachment should be indexed for the Field. No indication of meaning of A, C and B, but believe they stand for A- Anti-Communist, B- Neutral and C- Communist.
